AUTHORIZED REPRESENTATIVE RESPONSIBILITIES

I understand that XIAFLEX is only available through the XIAFLEX REMS Program for Peyronie's disease.

I am the Authorized Representative designated by my pharmacy or healthcare setting to coordinate the activities of the XIAFLEX REMS. I agree to comply with the following program requirements:

- Ensure that the staff responsible for dispensing and administering XIAFLEX at this healthcare setting is aware of my responsibilities as the Authorized Representative.
- Prior to dispensing XIAFLEX, confirm that the Healthcare Provider treating Peyronie's disease is specially certified in the XIAFLEX REMS Program for Peyronie's disease.
- Maintain a current list of Healthcare Providers affiliated with my healthcare setting who are specially certified. The current affiliated Healthcare Providers of this healthcare setting include the individuals listed below. I will maintain this list by adding or removing affiliated Healthcare Providers as appropriate.
- Agree not to loan, sell or transfer XIAFLEX to another pharmacy, healthcare setting, prescriber, institution or distributor.
- Make available to Endo Pharmaceuticals, and/or a designated third party or the FDA, documentation to verify understanding of, and adherence to, the requirements of the XIAFLEX REMS.

I understand that this enrollment only applies to me as the designated Authorized Representative of this pharmacy or healthcare setting. I will complete a separate enrollment form for each pharmacy or healthcare setting (unique ship-to site address) for which my designation and responsibilities extend. Failure to enroll a pharmacy or healthcare setting in the XIAFLEX REMS Program for Peyronie's disease will result in the inability to receive shipments of XIAFLEX.
